Miss Popularity

Who Will the Southern Wisconsin Young Lady Be? Are You Starting in the Contest?

Due to an unavoidable delay in receiving the ballots for the contest, the contest will be held on Monday morning, however, the ballots arrived in time to permit the contestants to start distributing them Tuesday afternoon.

There are more truly popular girls in Southern Wisconsin than in any other section of the state. This became evident on Monday when the first announcement was made of the contest to select the most popular young woman in this section of the state who is to be given the title of Miss Popularity.

Buffalo—Something far more exciting than any political campaign has been going on here. Political has been much from it but communities having members of the Ku Klux Klan may learn still more.

For the greatest incident, including a couple murders, has resulted from the mysterious publication of a list of members of the K. K. K. in Buffalo. The list, which is not a complete one, is being distributed from every side. The list, which is not a complete one, is being distributed from every side.

Jimmy Murphy.

On Tuesday, September 16, the body of the champion automobile driver, who met death in a 150 mile contest on the New York state fair grounds track yesterday, was being borne back across the continent to the home in Vernon, Cal., which he had known from early boyhood.

When the time for departure came, at 12:30 o'clock this morning, it was a little group which gathered in the train shed of the New York Central station here and, with bowed heads, watched the copper casket, the casket and casket, placed aboard the baggage car of the Lake Shore limited, while they entered a car further back.

On arrival in Chicago at 4 p.m., the casket will be transferred at once to the Santa Fe. Murphy's favorite route, and the trip continued on to his home state. Arriving in Los Angeles on Friday afternoon, when Murphy's body will be taken to the home of his uncle, Judge Martin O'Donnell, in Vernon, a suburb of Los Angeles.

Tommy Milton, one of the closest of Murphy's friends among the drivers, remained here to close up Murphy's affairs, and the charge of preparing the ship to his home. Milton will leave late today.

The exact cause of the accident which resulted in Murphy's death probably never will be known.

La Follette to Carry Election in Wisconsin

By Stephen Bolles

This is the open season for the political prognosticator and all the Washington correspondents are out over the country, tipster in hand, making surveys and telling the world just what is going to happen. Most of the time it depends on the political leaning of the newspaper for which the correspondent is working as to just how the election will end. Weeks ago in this column of the Gazette was printed the details of the possible election of a president by the House of Representatives.

SIGN REGULATION
STILL UNSETTLEDOrdinance Revision Matter
Placed in Hands of Special
Committee.

Revision of the city ordinance regulating the size and location of signs is an involved matter with several important angles, city councilmen decided Monday night when they voted to put the question in the hands of a special committee for investigation and report back at the next regular meeting, Sept. 22.

President J. E. Jensen appointed a committee of three as follows: Councilman Mrs. Emma L. Manning, chairman; Councilman William McCreary and George A. Neumann.

Pointing the results of a conference on the sign ordinance with City Manager Henry Traxler and George W. Stichtman, plumbing and building inspector, City Attorney George J. Cunningham told of the consideration given terms of the Milwaukee ordinance on signs.

All vertical in Milwaukee.

But present Janesville ordinance provides that signs may extend no more than three feet from the curb line, and no more than one foot above the sidewalk, with an area not to exceed 10 square feet and weight not to exceed 200 pounds, explained Mr. Cunningham.

"The Milwaukee ordinance virtually allows only vertical signs, specifying that they may not extend more than four feet from the curb line and half of this distance must be open space. The regulation on height is the same as ours but there is no weight or area limit. There are no other important requirements, one that signs must be of incombustible material, and the other that they must be illuminated all night, by a light after 11 p. m."

Whether any of the Milwaukee regulations should be adopted in Janesville, particularly that in regard to vertical signs, is a matter of policy that it is felt the city council should decide, Mr. Cunningham said. For that reason, he explained, no amendment to the ordinance has yet been drawn.

Practically all of the signs in Janesville today are of the horizontal type, with varying elevations, said Mr. Traxler, the result being a ragged appearing street.

Ernest Frost, of Somerville & Frost, spoke a few words in protest of any regulation that would allow only vertical signs, declaring this would work an injustice on a merchant who would not be permitted to have a sign extend beyond the first story of his building because of tenants overhead.

Recognizing that the matter was one which could not be solved satisfactorily without further conferences, Mrs. Manning offered a resolution for appointment of a committee and it was adopted unanimously.

Licenses Are Granted.

Complying with the present ordinance and being approved by Building Inspector Stichtman, election permits were granted the Yellow Cab company, 161 North Academy street, and Lee H. Schuster, 15 North Franklin street.

After considerable discussion at the last meeting, the license petition of the T. & O. Transportation company, Madison-Janesville bus line, was granted without any further questioning. The Company Coach Transportation company, Lake Geneva to Madison, was also issued an license by the city.

Barry Straub talked to the council for a few minutes seeking information in regard to regulation of bus lines.

Ray Huggell, 415 North Chatham street, was awarded a taxi driver's license and an electrical contractor's license was granted the Milwaukee Electric company, doing work on the Jeffris theatre.

Can't Refund Bonds.

Alameda sidewalks were ordered built on the east side of Johnson street and the west side of Jerome avenue. The city manager's report for August was accepted and the regular bills were approved, paid on resolutions offered by Councilman William McCue and passed by the council.

It was announced that the 1925 budget is a matter for determination at the first council meeting next month, Oct. 10.

Councilman H. M. Palmer asked an interesting question in regard to refunding bond issues sold at a high rate of interest and reselling them at a lower rate. He said the city could save several thousand dollars if it could call in bonds bearing interest at 5 and 6 per cent and sell new issues at 1 or 1 1/2 per cent.

City Attorney Cunningham replied that in his opinion it would be an impossibility as there is nothing in the statutes to allow a city to call its bonds before maturity and there is no call provision on any of the Janesville issues. The legislation may see fit to make some such regulation in the future, he said, but there has never been a demand for it before because all issues were about the same rate of interest.

Janesville is unfortunate in that the great percentage of its outstanding bonds were sold at a time when money was drawing a high rate of interest, Mr. Traxler said. Mr. Cunningham explained that when he became city attorney the bonded indebtedness was only \$125,000 but since that time it had jumped to \$1,000,000 and most of the bonds were 5 and 5 1/2 per cent, one being as high as 6 per cent.

\$60,000 Building
Planned if City
Vacates Street

If he can gain the consent of the city council and owners of adjoining property to a petition for the vacation of a part of Wall street between Madison street and the railroad tracks, P. S. Dattos, tobacco dealer, will erect a \$60,000 warehouse at that point. This information was brought out at a regular meeting of the council Monday night by Councilman George A. Jacobs and B. M. Palmer who reported they had been approached by Mr. Dattos in regard to the proposition.

Councilman C. S. Atwood said the only objection to the plan would be the loss of a section of sidewalk suitable for the loading and unloading of goods. Why not in such great demand now, Mr. Atwood declared there was a time a few years ago when the necessity of loading tracks was most noticeable.

It was explained by City Attorney George G. Cunningham that it would be necessary for Mr. Dattos to come before the council with a formal petition for street vacation before any action could be taken.

Y. W. C. A. TO URGE WOMEN TO VOTE

Fall and Winter Program Will Be Prepared September 26-28.

Detailed plans for the fall and winter program of the Y. W. C. A. will be worked out at a week-end staff and board conference, Sept. 26-28. It is expected that information assembled in the town and rural study made by the national board for Janesville and Rock county will be available for consideration. This procedure was determined upon by the board of directors at the September meeting, Monday night.

Another important matter on which action was taken Monday was the cooperation of the Y. W. C. A. in the getting women to realize their responsibility as voters prior to the November election. A motion was passed directing the president of the association, Miss Ruth Decker, to name a special committee to promote effort along this line.

Reports of summer conferences were given by the different delegates. Miss Ella Peterson gave the principal report on the sessions of the industrial department conference at Lake Koshong. In this conference, Miss Frances Pfeiffer told of the physical directors' conference at Forest Hills, Minn. Mrs. Allen T. Lovejoy, Jr. gave a report on the district reserve conference at Lake Okoboji.

GROUP SCHEME FOR BOYS' WORK TO BE ADOPTED AT Y. M.

Younger members of the Y. M. C. A. boys' department will this year be divided into smaller groups of six to eight each, to operate as club units, each with its own officers, according to a new plan to be put into effect by John Pugh, boys' work secretary.

The plan was approved by the older boys, will become practically a leaders' training group. The first meeting will be Tuesday night.

Once each month all of the groups will hold a combined meeting when competitive games, and stunts by each club, will feature. An out-door activity of some sort will also be on the program. The program, and inter-group competition, including basketball league, and possibly a swimming meet, will help in keeping up the interest service in the boys' lobby will be taken over this year by the Volunteer Junior Secretaries' club, and there will be no employed boys in charge as in former years. The station has been worked out by Mr. Pugh in other cities.

A series of pamphlets secured from the state board of health has been placed in the boys' reading room, and the equipment is being put into good condition for the winter season.

Miss George, 623 South Main street, has returned from Lake Wood where she spent the summer.

POLICE IN MANY CITIES WANT KUNZ

Rockford, Monroe. Among Places Seeking Man Held Here.

News that the "catch" made by Chief Fred Gilman at Evansville, Saturday, had been identified as Earl Kunz, alleged burglar and automobile thief, brought visitors and telephone calls from authorities of other cities, extending invitations to relieve local authorities of his presence, but he was still in the county jail, Tuesday, with the likelihood that he will remain there for some time.

Chief Sheriff Fred Foley and asked that Rock county allow him to take the prisoner to Monroe to face trial on the three charges for which warrants are held there, namely, burglary, theft and stealing an automobile.

Rockford Wants Him.

A party of detectives and officers drove up here from Rockford Monday night and produced a warrant held by Rockford police since last April calling for Kunz on charges of stealing a car from Al Holtz of Rockford, during that month.

The Wilkes-Knight automobile that Chief Gilman has held since last April, which was used in the arrest of Kunz Saturday was said to have been turned over to the deputy sheriff from Lee county in which Franklin Grove is located.

Where the owner of the car, Rev. Deputy George Baunhag of Ogish county, who is interested in learning how a license plate issued to Wilkes-Knight of Rockford, came onto the Franklin Grove car, and Detective John Anderson and Ed Kavanaugh of the Rockford department, were other members of the Rockford party.

Still Held Here.

Sheriff Foley sits tight with the prisoner behind the bars. He knows that Chief Gilman has held since last April, which was used in the arrest of Kunz Saturday was said to have been turned over to the deputy sheriff from Lee county in which Franklin Grove is located.

George Gelske, acting district attorney, said Tuesday afternoon that no decision has been made, and he will call for Kunz having a hearing before Judge Macfield, to answer an amended complaint that will contain four charges instead of two as at present.

Records of the municipal court have been changed so that they show Kunz was arraigned and not taken to the county jail, and the hearing before Judge Macfield, to answer an amended complaint that will contain four charges instead of two as at present.

AT MERCY HOSPITAL.

Mrs. William Baerger, 707 Center avenue, had her tonsils removed, Tuesday morning.

Mrs. H. J. Baum, 1202 Highland avenue, was admitted Tuesday for treatment.

Mrs. Walter Leary, 612 West Milwaukee street, underwent an operation Monday afternoon.

Miss Mary Leary, however, underwent an operation for appendicitis Tuesday morning. She was resting comfortably Tuesday afternoon.

Mr. and Mrs. Eber Arthur and children, 618 Benton avenue, have returned from Williamsport, Pa., where they spent several weeks visiting relatives.

BOARD OF REVIEW QUILTS SINE DIE

Last Session of 1924 Held, Assessor's Figures Being Approved.

Confirming the 1924 assessments on real estate and personal property in the city of Janesville as levied by City Assessor Frank L. Smith, the board of review held its third and final session of the year Monday night at the city hall. At the close of the meeting adjournment was taken sine die, meaning that all opportunity for registering protests against valuation figures has been closed.

The assessor's books were held open for a week during which property owners were invited to enter objections in cases they felt they were unjustly assessed. Several appeared before the board in sessions held a week ago, but in only one case was any adjustment made. The others were not willing to testify that their property wasn't worth the figure placed upon it by the assessor.

There were several objections based on comparative assessments, one man contending that his neighbor was assessed but little more than half of what he paid for his house. Several questions of this nature were brought up, to which Mr. Smith replied that during the boom year of 1920 when real estate was bringing exorbitant prices, in many cases far beyond its actual value.

The 1924 assessment figure represents an increase of \$100,000 to \$500,000 over last year's total, but because of the homestead exemption losses, the actual figure for the body of the tax levy will be about \$500,000 less than in 1923.

Rotary Delegates Go to Sheboygan

V. P. Richardson and E. A. Kohler, president and secretary, respectively, of the local Rotary club will depart Tuesday night to attend an executive conference of the 10th district at Sheboygan. They will return Friday.

At Tuesday's meeting of the local club at the Grand hotel, Judge Charles L. Pfeiffer told of his recent trip into Minnesota, declaring that the tourist has not touched that state anywhere near the amount Wisconsin has experienced. With 12,000 lakes and beautiful scenery especially in the region of the Superior national forest, Minnesota is given high praise by the Judge.

The club Tuesday discussed boys' work plans. Regular reports of Stephen S. Solle, treasurer, and E. A. Kohler, secretary, were read. The meetings of Mrs. F. Wortendyke and George Sherman were observed.

George Meckelson, music instructor at the local junior high school, sang.

COMPANY M VETS. HOME FROM REUNION

Friendships of war camps and the trenches were renewed and reminiscences of military experience recalled for more than 60 Janesville boys who served in the 22nd division, through attendance at the annual reunion that closed Monday night in Milwaukee.

The largest portion of the Janesville delegation that attended the three day reunion were former members of Janesville's own World War unit, Company M of the 128th Infantry regiment. They marched together in the parade Sunday as a part of the regiment with which they went overseas and into the trenches.

Milwaukee gave the boys a rousing time according to reports they brought back and every minute was filled with interest for the soldiers of yesterday. The concluding feature was a ball Monday night.

Once each month all of the groups will hold a combined meeting when competitive games and sports of each club, will feature. An out-door activity of some sort will also be on the program for each month, and inter-group competition, including a basketball league, and possibly a swimming meet, will help in keeping up the interest.

The counter service in the boys' lobby will be taken over this year by the Youngster's Junior club, and there will be no employed boy in charge as in former years. The system has been worked out by Mr. Pugh in the past.

A series of pamphlets secured from the state board of health has been placed in the boys' reading room, and the equipment is being put into good condition for the winter season.

POLICE IN MANY CITIES WANT KUNZ

Rockford, Monroe. Among Places Seeking Man Held Here.

News that the "catch" made by Chief Fred Gilman at Evansville, Saturday, had been identified as Emil Kunz, alleged burglar and automobile thief, brought visitors and telephone calls from authorities of other cities, extending invitations to relieve local law enforcement agencies. Kunz was still in the county jail, Tuesday, with the likelihood that he will remain there for some time.

Sheriff Robert W. Blumer, Monroe, called Sheriff Fred Gilman and asked that Kunz be allowed to face trial on the three charges for which warrants are held there, namely, burglary, theft and stealing an automobile.

Rockford Wants Him. — A party of detectives and officers drove up here from Rockford Monday night and produced a warrant held by Rockford police since last April calling for Kunz arrested on charges of stealing a car from at Holtz of Rockford, during that month.

The Willis-Knight automobile that Chief Gilman has held since Saturday, has been turned over to the deputy sheriff from Lee county in which Franklin Grove is located, where the owner, the car lives.

George Hanning of Ogish county, who is interested in learning how a license plate issued to a Willis-Knight car, came into the hands of the Franklin Grove car, and Detective John Anderson and Ed Kavanaugh of the Rockford department were other members of the Rockford party.

Still Held Here. — Sheriff Blum sits tight with the prisoner behind the bars. He has no doubt that the Rockford authorities that there is a probability that Kunz will be turned over to the Green county sheriff if it appears that the Green county district attorney will be more likely to obtain a conviction than would result in longer confinement in prison.

George Gies, acting district attorney, said Tuesday afternoon that no decision has been made, and that plans are being made for a hearing before Judge Maglefield, to answer an amended complaint that will contain four charges instead of two as at present.

Reports of the municipal court have been changed so that they show Kunz was arrested and not Joe Giovinco, the name the former gave when arrested. Giovinco is said to be in Rockford.

AT MERCY HOSPITAL. — Mrs. William Burger, 707 Center street, had her tonsils removed, Tuesday morning.

Mrs. H. J. Dunn, 1202 Highland avenue, was admitted Tuesday for treatment.

Mrs. Walter Leary, 615 West Milwaukee street, underwent an operation Monday afternoon.

COUNTY PRAISED FOR BUILDING OF CONCRETE ROADS

Rock county, one of the gateways to Wisconsin, is given praise for its foresight in building concrete roads, by Brownie, head of the Highway and tour department of the Milwaukee Journal. Brownie, or W. W. Hawkins, says:

"Rock county is beginning to reap the reward of its courage and vision in literally appropriating for the laying of concrete on its main traveled thoroughfares. The reward is in having roads that stand up, saving Rock county's residents substantially in time and transportation costs, and in convincing visitors to the beauties of that county for its excellent roads. An example is highway 13, completely paved from the state line at Beloit through Janesville to Evansville in the northwest corner of the county."

"It gives the tourist a splendid impression of Wisconsin on entering the state. But after he passes into Lane county he strikes roads that are costing more for maintenance than Rock county's concrete, but which are not nearly as good. Highway 13 positively cannot be made to stand up under its load of traffic with gravel surfacing. Lane county has stubbornly adhered to gravel, with a bad blunder of the most important roads, and every spring they go bad and require expensive resurfacing and rebuilding."
